

## OUR PRODUCTS

FOR AMATEUR AND PROFESSIONAL SPORTS

### The sports insurance specialists.

Sportscover is one of the world's leading sports insurers. As specialists we understand the risks involved in sport and leisure and work in partnership with our policy holders and brokers to provide risk solutions.

We take a holistic approach to our insureds' needs by providing quality products backed by first class security, and offer our policy holders flexibility, up to date information and risk management advice.

### Tailored to your sport

We have the flexibility and technical expertise to design a package specifically tailored to protect the assets of sporting centres, clubs and associations.

Many insurers' policies are developed with general commercial and industrial businesses in mind. Therefore, their policies may not cover some of the elements that we cover that are essential for those involved in sport, such as cover for volunteers or catering facilities, for example.

- ✓ Participants and Players
